Chiquitita - Abba

```
Asus4 A
Chiquitita, tell me what s wrong
You re enchained by your own sorrow
                                         Asus4 A
                      E7
In your eyes there is no hope for tomorrow
How I hate to see you like this
                              Esus4 E
There is no way you can deny it
                                         Asus4 A
I can see that you re oh so sad, so quiet
Α
                            Asus4 A
Chiquitita, tell me the truth
I m a shoulder you can cry on
                          E7
                                              Asus4 A
Your best friend, I m the one you must rely on
                               Asus4 A
You were always sure of yourself
                                Esus4 E
Now I see you ve broken a feather
        Ε
               E7
                                   Asus4 A
I hope we can patch it up together

Chiquitita, you and I know
How the heartaches come and they go and the scars they re
leaving
You ll be dancing once again and the pain will end
You will have no time for grieving
Chiquitita, you and I cry
But the sun is still in the sky and shining above you
Let me hear you sing once more like you did before
Sing a new song, Chiquitita
Try once more like you did before
                           Asus4 A
Sing a new song, Chiquitita
```

So the walls came tumbling down
And your loves a blown out candle
All is gone and it seems too hard to handle
Chiquitita, tell me the truth
There is no way you can deny it
I see that you're oh so sad, so quiet
