It's not time to make a change, just relax and take it easy
                               Em
You're still young that's your fault
there's so much you have to know
                                 C
                    D
Find a girl, settle down, if you want to, you can marry
                             Am_ C_ D
Look at me, I am old, but I'm happy
I was once like you are now, and I know that its not easy
                        \mathsf{Em}

But take your time, think a lot, why think of everything you've got
                             Em

                                                      Am7
How can I try to explain? when I do he turns away again
                     \mathsf{Em}
it's always been the same, same old story
                        \mathsf{Bm}
